Because of the potential problems and dangers of a camp this size, I understand the need to be responsible on this trip and follow these guidelines. I realize actions may affect the safety and community of this camp.

Guidelines:

- I understand that I cannot have any food in the cabins.
- I will not bring a walkman, CD-Player, Mini-Disc Player, MP3 Player, Portable Games, PDA, or any other electronic devices with me.
- I understand that I must attend all sessions and workshops during the designated time.
- I agree to follow any additional guidelines established in the Youth Camp Handbook.
- **I understand that cell phones should be turned off and only used by permission from the camp director or youth pastor.**

The above actions will be confronted once, and free time and/or participation in special activities will be taken away if repeated.

- I understand that I am not allowed to POSSESS OR USE tobacco, alcohol, or any other type of drug unless it is prescribed and I have a note from my parent/guardian
- I understand that I will not bring ANY fireworks or weapons.

Failure to abide by rules will result in being sent home at my family’s expense.
